After skin contact: Wash thoroughly with soap & wate, consult a physician if irritation occurs. After eye contact: Flush eye with large amounts of water; consult an opthamologist After swallowing: Consult a physician immediately

### 5. Fire Fighting Measures

Extinguishing media: Sand, foam, CO2, dry chemical Protective equipment: Firefighters should war full protective colthing, inlucding a selfcontained breathing apparatus. During a fire, irritating and/or toxic gases and aerosols may be present from the decomposition /combustio products.

# 6. Accidental Release Measures

Personal precautions: Follow hygienic measures. Environmental precautions: Unkown Methods for cleaning up: Cover with an absorbent material such as sand or sawdust; scoop up and place in appropriately marked container. Additional information: Unknown

### 7. Handling and Storage

Handling: Good hgienic measures and handle with care. Handling procedures: No special requirements Recommendation for fire and Explosion protection: Unkown. Storage: Store at or below room temperature

#### 8. Exposure Controls / Personal Protection Additional Information: Unknown

Additional information: Unknown Personal protective equipment: Protective gloves and goggles are recommended. General measure of protection and hygiene: Follow normal hygienic measures Respiration: Not necessary Hands: Protective gloves Eyes: OSHA approved goggles

### 9. Physical and Chemical Properties

Appearance: Low viscosity gel Color: Odor: None Information on change in the physical state: Melting point/melting range: Unknown Boiling point/boiling range: Unknown Flash point: 485F(285C) Autoignition temperature: Unknown Danger of explosion: Not likely Density: Not likely Vapor pressure: Unknown Viscosity: Variable with consistancy pH: Not applicable Solubility in/miscibility with water: Insoluble Content of solids: Variable with each consistency

### 10. Stability and Reactivity

Incompatibility with other substances: Stable at normal conditions Hazardous decomposition products: Not Applicable

# 11. Toxicological Information

Carcinogenicity: NTP: not listed, IARC Monographs: not listed, OSHA Regulated: not listed TLV:

Primary routes of entry: Ingestion, skin, and eyes

#### **12. Ecological Information** Unknown

# 13. Disposal Considerations

Dispose in accordance with Federal, State and local regulations.

- **14.** Transport Information Unknown
- **15. Regulatory Information** Unknown
- 16. **Other Information** Unknown
