3. Hazard Identification

Risk identification: None Known
Special risks for human beings and environment: None Known
Classification: None Known

4. First Aid Measures

General information:
- After skin contact: Wash thoroughly with soap & water, consult a physician if irritation occurs.
- After eye contact: Flush eye with large amounts of water; consult an ophthalmologist
- After swallowing: Consult a physician immediately

5. Fire Fighting Measures

Extinquishing media: Sand, foam, CO2, dry chemical
Protective equipment: Firefighters should wear full protective clothing, including a self-contained breathing apparatus. During a fire, irritant and/or toxic gases and aerosols may be present from the decomposition/combustion products.

6. Accidental Release Measures

Personal precautions: Follow hygienic measures.
Environmental precautions: Unknown
Methods for cleaning up: Cover with an absorbent material such as sand or sawdust; scoop up and place in appropriately marked container.
Additional information: Unknown

7. Handling and Storage

Handling: Good hygienic measures and handle with care.
Handling procedures: No special requirements
Recommendation for fire and explosion protection: Unknown.
Storage: Store at or below room temperature

8. Exposure Controls / Personal Protection

Additional Information: Unknown
Personal protective equipment: Protective gloves and goggles are recommended.
General measure of protection and hygiene: Follow normal hygienic measures
Respiration: Not necessary
Hands: Protective gloves

9. Physical and Chemical Properties

Appearance: Low viscosity gel
Color:
Odor: None
Information on change in the physical state:
Melting point/melting range: Unknown
Boiling point/boiling range: Unknown
Flash point: 485°F (285°C)
Autoignition temperature: Unknown
Danger of explosion: Not likely
Density: Not likely
Vapor pressure: Unknown
Viscosity: Variable with consistency
pH: Not applicable
Solubility in/miscibility with water: Insoluble
Content of solids: Variable with each consistency

10. Stability and Reactivity

Incompatibility with other substances: Stable at normal conditions
Hazardous decomposition products: Not Applicable

11. Toxicological Information

Carcinogenicity: NTP: not listed, IARC Monographs: not listed, OSHA Regulated: not listed
TLV: Primary routes of entry: Ingestion, skin, and eyes

12. Ecological Information

Unknown

13. Disposal Considerations

Dispose in accordance with Federal, State and local regulations.

14. Transport Information

Unknown

15. Regulatory Information

Unknown

16. Other Information

Unknown
